

valen *drawerganizer*

the *new* solid wood organization system

customization: *unlimited!*

valen drawerorganizer - the truly universal,

- Movable solid beech dividers for kitchen, bath, office, furniture, and utility drawers.
- Unlimited combinations to suit any storage need. Bottom panels available in your choice of woodgrain or white.
- System available in set packs and "a la carte". Sets will make 1 large or two small drawers. Experiment!
- Sets are also recommended for smaller drawers than those pictured; components are simply rearranged to suit.
